Cybersecurity HW#7

Submission

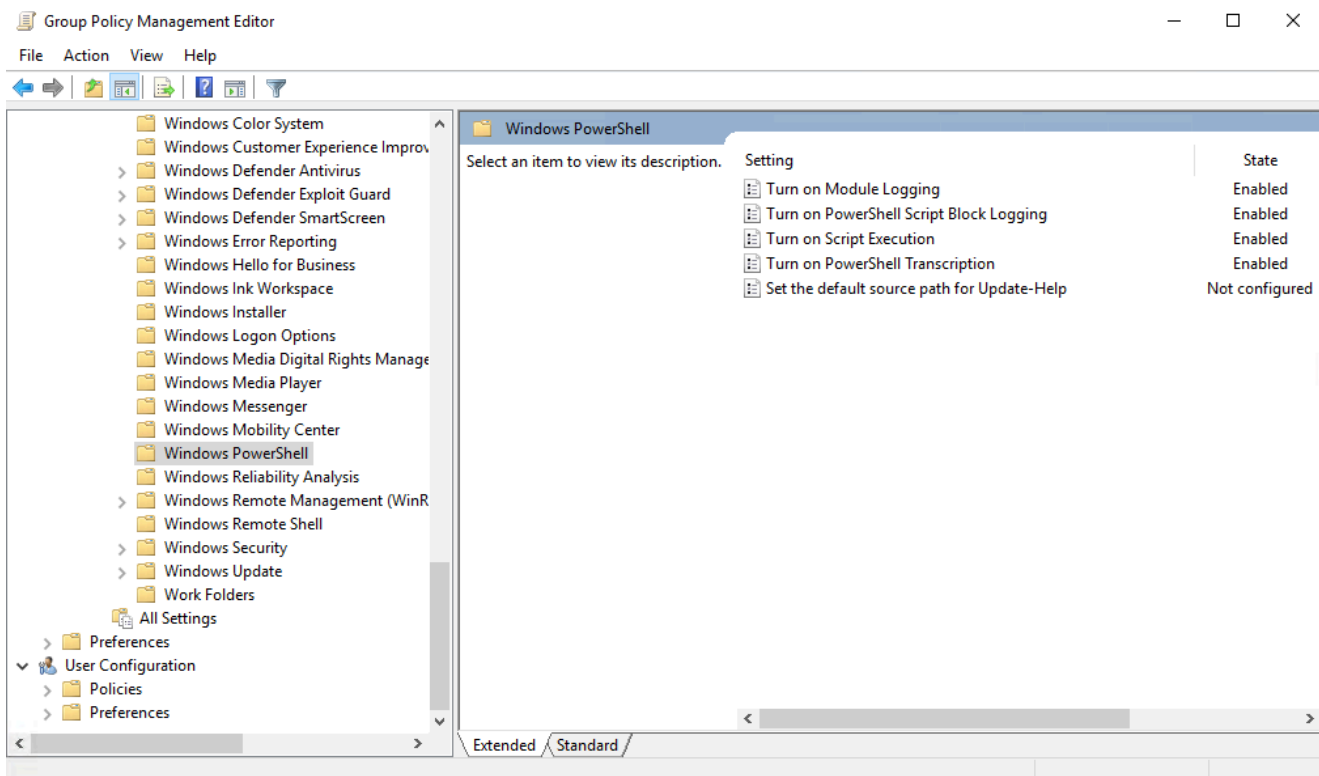

- **Deliverable for Task 1:** Take a screenshot of all the GPOs created for this homework assignment. To find these, launch the Group Policy Management tool, select **Group Policy Objects**, and take a screenshot of the GPOs you've created.

- **Deliverable for Task 2:** Submit a screenshot of the different **Account Lockout** policies in Group Policy Management Editor. It should show the three values you set under the Policy and Policy Setting columns.

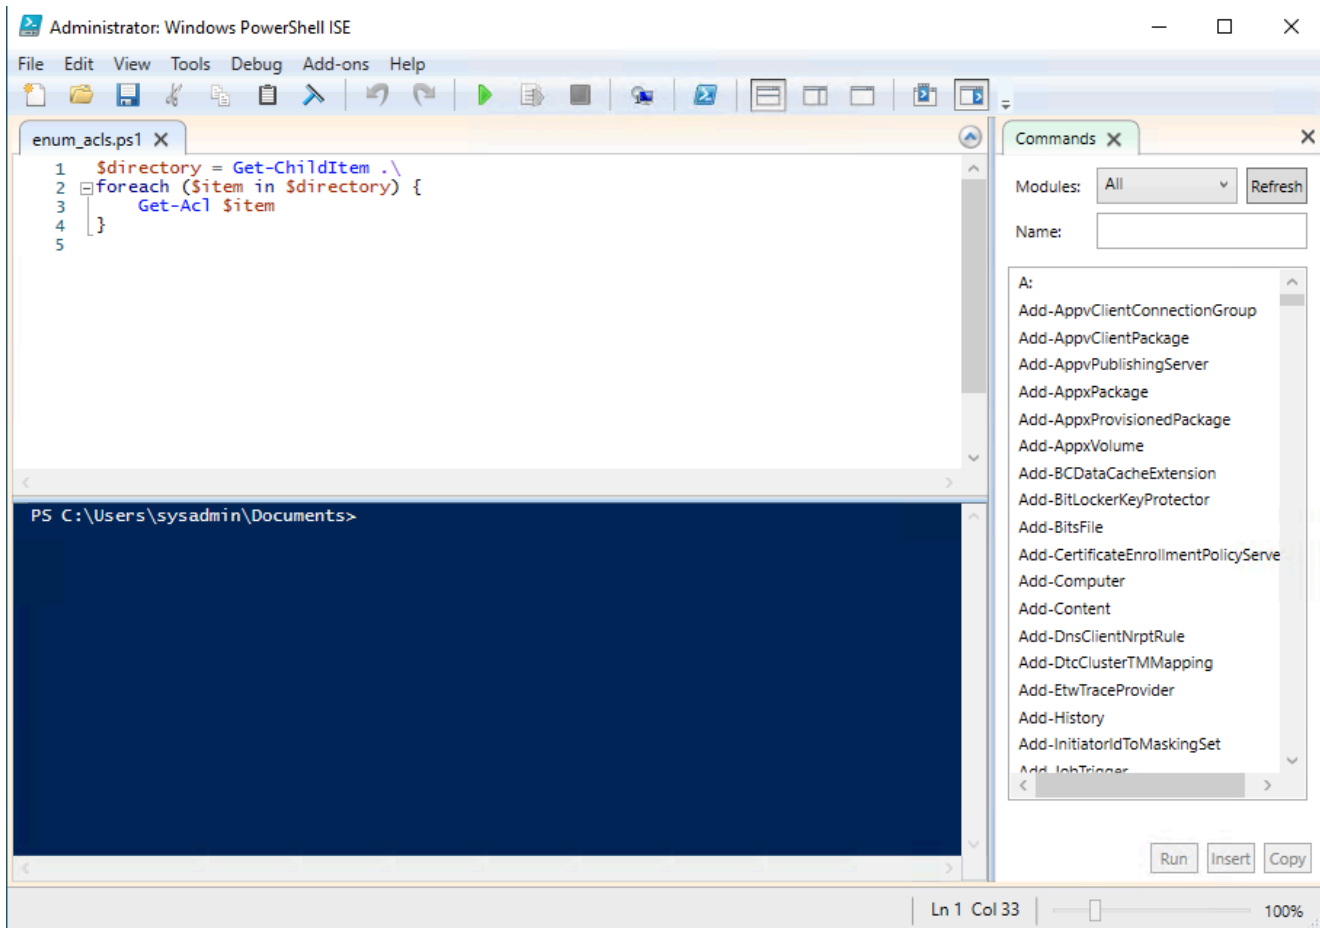

- **Deliverable for Task 3:** Submit a screenshot of the different **Windows PowerShell** policies within the Group Policy Management Editor. Four of these should be enabled.

- **Deliverable for Task 4:** Submit a copy of your P script.

```
1 $directory = Get-ChildItem .\  
2 foreach ($item in $directory) {  
3     Get-Acl $item  
4 }
```

- **Deliverable for Bonus Task 5:** Submit a screenshot of the contents of one of your transcribed PowerShell logs or a copy of one of the logs.

```
